

REQUIREMENT

Clients want to create a Road Accident Dashboard for years 2021 and 2022 so that they can have insight into the below requirements:-

Q1- Find Out the total casualties taken place after the accident.

Q2- Find out the total casualties and their percentage of the total with respect to accident severity.

Q3- Find out the total Casualties with respect to vehicle type and the maximum casualties by type of vehicle.

Q4- Find out the maximum casualties by Road type.

Q5- Determine the distribution of total casualties by Road Surface.

Q6- Find out the relation between casualties by Area/Location.

Q7- Find out the relation between casualties by Day/Night.
